finished..principle..product..one..point...have...a...cheat...sheet...over...here...are...you...I...little...thi  
ck...when...I...open...it...up...but...I...place...right...there...mm...he...is...holding...for...you'r  
e...gonna...have...all...the...signs...there...

so...um...let's...go...glue...it...faster...but...you...print...from...Pinterest...um...I...will...link...the...  
cheap...at...Michaels...they...used...to...be...in...the...for...that...I...am...going...to...get...all...the...ant  
s...you...believe...again...here...for...you...guys...want..I..got..some..three..g..foam..double..tape...so  
me...free...game...templates...and...I'm...going...you...account...for...you...guys...soon...incorpor  
ate...that...imagery...into...this...baby...

same...with...the...little...footprints...I...mean...really...big...holes...so...so...there...it...has...the...  
..project..and..it's..gonna..look..so..cute..on..brown..are..we..looking..for..here..play...paper...so...cut  
e...I...think...it's...paper...studio...

calling...her...with...their...replies...that...packs...but...they're...meant...to...go...on...Vivian...towards  
...the...red...ah...perfect...there...sorry...I'm...trying...not...to...move...it...too...much...just...  
photo...mats...and...I...edged...it...with...my...account...with...them...it's...the...photo...editing...
